## INSTRUCTIONS

This return is to be filed for estates (Kentucky resident or nonresident) when (1) the date of death is on or after July 1, 1998, (2) a Federal Estate and Gift Tax Return is required to be filed, and (3) the entire estate passes to beneficiaries listed in the following groups, either by contract (survivorship, payable on death, trust, etc.), the decedent's will or the intestate laws of this state:

- (1) Surviving spouse, parent
- (2) Child (adult or infant)  
child by blood, stepchild, child adopted during infancy, or child adopted during adulthood who was reared by the decedent during infancy
- (3) Grandchild  
issue of child by blood, stepchild, child adopted during infancy, or of a child adopted during adulthood who was reared by decedent during infancy
- (4) Brother, sister (whole or half)

► **Refer to KRS 140.080 for the above groups**

- (5) Exempt organizations—**Refer to KRS 140.060**

Exempt organizations include educational, religious or other institutions, societies, or associations, whose sole purpose is to carry on charitable, educational, or religious work. Also, cities, towns or public institutions in this state qualify as exempt organizations provided that any transfer to such an organization is for public purposes.

**KRS 140.130** levies an estate tax. If the Kentucky inheritance tax due is not equal to or greater than Kentucky's portion of the federal state death tax credit, the difference is due as an estate tax. If the date of death is on or after July 1, 1998, there is not any inheritance tax due for the above-named beneficiaries; therefore, if there is any federal state death tax credit, Kentucky's portion is due as an estate tax.

- ☞ If decedent died with a will, a copy must be submitted.
- ☞ If property passes under a trust agreement, please submit a copy.
- ☞ Lines 3 and 4 on the front should equal line 2.
- ☞ A copy of the Federal Estate and Gift Tax Return must be attached to this return.
- ☞ Payment of any estate tax due must be attached to the face of the return. The check should be made payable to the "**Kentucky State Treasurer.**"

### Interest and Penalties

If the tax is not paid within 18 months following the decedent's date of death, interest shall be computed pursuant to KRS 131.010(6) from the expiration of the 18-month period until the tax is paid. **There is no provision in the statute to waive interest.** The interest rate for 1999 and 2000 is 8 percent and for 2001 is 10 percent.

Penalties may also apply if the return is not filed within 18 months from the date of death. The most common penalties are for **late filing** and **late payment**. The **late filing** penalty is 2 percent of the total tax due for each 30 days or fraction thereof that a tax return or report is late. The maximum penalty is 20 percent of the total tax due. The minimum is \$10. The **late payment** penalty is 2 percent of the total tax due for each 30 days or fraction thereof that the payment is late. However, the late payment penalty is not applicable if at least 75 percent of the tax liability has been timely paid. The maximum penalty is 20 percent of the total tax due. The minimum is \$10. These penalties may be waived if "reasonable cause" exists as mentioned under KRS 131.180 and defined under KRS 131.010(9). The penalties accrue from the expiration of the stated 18-month period until paid. Additional penalties may apply pursuant to KRS 131.180. **Payment of the interest or penalties is to be made at the time the return is filed.**

**Powers of Appointment**

All property passing under a power of appointment created by will, deed, trust agreement, contract, insurance policy or other instrument must be reported in this schedule whether or not the power of appointment is exercised. *For taxation of transfers by power of appointment, refer to KRS 140.040 and 140.100(4).*

The method of computing the inheritance tax on any power of appointment property as described under KRS 140.040 is irrelevant in both the donor's and the donee's estates when such property is elected to be included in the surviving spouse's *total inheritable interest* as property which qualifies for the federal estate tax marital deduction under Section 2056(b)(5) or 2056(b)(7) of the Internal Revenue Code.

KRS 140.100(4) requires that the trust or life estate for which an election relates be included in the surviving spouse's estate for Kentucky inheritance tax purposes at its value on the death of the surviving spouse regardless of where spouse is domiciled. If the surviving spouse has the power to appoint the remaindermen of the qualified trust or life estate, the property is taxed to the remaindermen named in the surviving spouse's will and the rates and exemptions are based on their relationship to the surviving spouse. If the surviving spouse has no power to appoint the remaindermen of the qualified trust or life estate, the property is taxed to the remaindermen named in the first spouse's will and the rates and exemptions are based on their relationship to the second spouse unless such rates and exemptions prove to increase the tax liability. If this occurs, the beneficiary may use the rates and exemptions in effect at the death of the first spouse. If the first decedent was a nonresident of Kentucky or died prior to July 1, 1985, the trust or life estate is not includable in the surviving spouse's estate.

**Qualified Terminable Interest Trust**

For purpose of the spousal exemption, the term *total inheritable interest* may include at the election of the personal representative (or trustee or transferee, if no personal representative) the entire value of a trust or property in which the surviving spouse was devised a life estate and which otherwise qualifies for the federal estate tax marital deduction under Section 2056(b)(5) or 2056(b)(7) of the Internal Revenue Code of 1954, as amended through December 31, 1984. The election is irrevocable and must be made on Form 92A936 on or before the due date of the tax return (as extended) or with the first tax return filed, whichever occurs last. It is not necessary that a similar election be made for purposes of the federal estate tax marital deduction or that a Federal Estate and Gift Tax Return be filed. The effect of the election is that the property (interest) will be treated as passing to the surviving spouse for purposes of the spousal exemption.

**PREVIOUSLY TAXED PROPERTY**  
**(PRIOR DECEDENT TO IMMEDIATE DECEDENT WITHIN FIVE YEARS)**

List all property owned by the immediate decedent at death that was taxed under the Kentucky Inheritance and Estate Tax Law (KRS Chapter 140) and received from a prior estate, the prior decedent having died within five years of the immediate decedent's date of death. Property listed in this schedule must be specifically identified as having been so taxed or as having been acquired in exchange for property so taxed. All property correctly listed in this schedule is subject to a tax credit as provided in KRS 140.095. ***Separate tax credit computations must be made if the decedent paid tax in two or more prior estates.***

Identify the property previously taxed and take full credit for the tax paid by the immediate decedent in the prior estate. If full credit is not allowable, you will be billed for the additional tax plus applicable interest, if due. The credit is taken on the **Tax Computation** schedule as a part of this return.

The methods used in evaluating property listed in this schedule will be the same as those used in evaluating like property listed in other schedules. ***Property listed in this schedule must be valued as of the date of the immediate decedent's death and must not appear in any other schedule.***

See page 3 of general information for an example.

### GIFTS AND TRANSFERS

Include all gifts and transfers of property in this schedule made by the decedent within three years prior to death and any gift or transfer of property during the decedent's lifetime in which a life estate or the income was retained by the decedent. **If made by deed or trust, a copy of such instrument must be attached.** In the event the taxability of the gift or transfer is not included in the taxable estate, submit details of the transfer and the reason for the exclusion. *To determine the proper taxation of gifts and transfers, refer to KRS 140.020 (see below). For reporting agricultural or horticultural land, see General Information—Valuation of Property—Fair Cash and Agricultural.*

**KRS 140.020 reads in part as follows:** (1) Any property or interest therein, of which the decedent has made a transfer by trust or otherwise, in contemplation of or intended to take effect in possession or enjoyment at or after death, including a transfer under which the transferor has retained for his life or any period not ending before his death (a) the possession or enjoyment of, or the income from the property; or (b) the actual or contingent power to designate the persons who shall possess the property or the income therefrom, except in the case of a bona fide sale for an adequate and full consideration in money or money's worth. It shall further apply to any property conveyed in trust over which the settlor has a power of revocation exercisable by will.

(2) Every transfer made within three (3) years prior to the death of the grantor, vendor or donor of a material part of his estate, or in the nature of a final disposition or distribution thereof, and without an adequate valuable consideration, shall be construed to have been made in contemplation of death within the meaning of this chapter.

### DEBTS OF DECEDENT

Debts and taxes of the decedent paid by the personal representative are deductible. Real property taxes that were a lien against the decedent's property at the date of death are deductible. Indicate the decedent's percentage of liability for debts and taxes on jointly owned property. If the decedent is survived by a husband, her debts, with the exception of taxes or mortgages on her real property, are not deductible unless paid from the proceeds of her estate.

List in this schedule all mortgages and liens of the decedent. Indicate the decedent's share of liability if mortgage is secured by jointly owned property. Mortgages are not deductible to the extent secured by credit life insurance.

### FEDERAL ESTATE TAX

The figure for this calculation should be obtained from the Federal Estate and Gift Tax Return.

The federal estate tax is deductible in the proportion that the net estate in Kentucky subject to the federal estate taxes bears to the total net estate everywhere subject to federal estate taxes. This is calculated by dividing the Kentucky net estate, before the federal estate tax deduction, by the federal taxable estate including federal taxable gifts.

### PROPERTY HAVING A SITUS OUTSIDE KENTUCKY

Show location, description and actual value, at date of death, of all decedent's property having a situs outside Kentucky. This information is necessary to determine the amount of federal estate tax allowable as a deduction under KRS 140.090(1)(d). List mortgages and taxes on property. ***Intangible property located outside Kentucky is taxable and must be reported on the return if the decedent was domiciled in Kentucky.***

**Blanket Lien Release**

TO: Personal Representatives, Financial Institutions,  
Broker-Dealers, and Other Interested Persons

FROM: Linda Sheets, Supervisor   
Inheritance and Estate Tax Section

DATE: June 5, 1998

SUBJECT: Inheritance Tax Lien Releases and Inventory of Safe Deposit Boxes

Effective July 1, 1998, the Kentucky Revenue Cabinet (KRC) will no longer require that a person obtain prior written consent (lien release) from the KRC for the transfer of specific property owned by a resident or nonresident decedent at death, nor will a representative of KRC be present at the opening of a safe deposit box for the purpose of inventorying the contents at any time after the death of a person who had access to the box.

Pursuant to the authority granted to KRC in Chapter 140 of the Kentucky Revised Statutes, this notice grants a blanket lien release (consent) on all property owned by any decedent as a result of his or her death or any interest therein including, but not limited to, real estate, stocks, bonds, cash accounts, trust funds, life insurance, employee retirement accounts and trusts of all types, safe deposit box contents, etc.

Also, financial or other institutions or persons renting safe deposit boxes or similar receptacles may permit access to any and all boxes without requiring a specifically written consent or the presence of KRC or the local PVA prior to entering the box after the death of a person who had access to the box.

The above actions were taken as a result of the phaseout of the inheritance tax on Class A beneficiaries and for the purpose of easing the administration of estates for personal representatives, beneficiaries and other affected parties. More efficient services to the taxpayers of the Commonwealth will result from these actions.

This document may be duplicated and used as verification that the inheritance tax lien no longer exists on a decedent's property regardless of the date of death. However, it does not mean that personal representatives or beneficiaries are relieved of any inheritance tax liability that they may owe in their individual capacity.

Questions regarding this notice may be directed to Linda Sheets at (502) 564-4810.

APPROVED:

Mike Haydon, Secretary  
Kentucky Revenue Cabinet

## PAYMENT OF TAX

### Discount

- (1) Any inheritance tax payment made within nine months of death is allowed a 5 percent discount.
- (2) Discounts are not allowed on estate tax.

**Avoid Interest and Penalty: If tax is due, any payment made after 18 months of death is subject to interest and penalties.**

### Deferred Installment Payments

If a beneficiary's tax liability exceeds \$5,000, the beneficiary may elect to pay the tax in 10 equal annual installments. The first installment is due at the time the tax return is filed. The tax deferred is charged with interest at the rate established under KRS 131.010(6) beginning 18 months after the date of death. This election must be made on Form 92A928 when the return is filed.

### Interest

If tax (inheritance or estate) is not paid within 18 months following the decedent's death, interest is computed from the end of the 18 months until the tax is paid. ***There are no provisions in the inheritance tax law to waive interest.*** The interest rates are:

1998	9 percent	2000	8 percent
1999	8 percent	2001	10 percent

### Penalties

Late filing and late payment penalties may apply if tax is due and the return is not filed and the tax due paid within 18 months from the date of death.

***Late Filing Penalty*** is 2 percent of the total tax due for each 30 days or fraction thereof that the payment is late. The maximum is 20 percent of the total tax due. The minimum is \$10.

***Late Payment Penalty*** is 2 percent of the total tax due for each 30 days or fraction thereof that the payment is late. This penalty is not applicable if at least 75 percent of the tax liability has been timely paid. The maximum is 20 percent of the total tax due. The minimum is \$10.

The penalties accrue from 18 months from the date of death until the tax is paid.

These penalties may be waived if the return was not filed or the tax paid timely due to a "reasonable cause" as defined under KRS 131.010. There are additional penalties under KRS 131.180.

Interest and penalty payments should be made at the time the tax return is filed. If you need assistance in computing interest or penalty, contact the Inheritance and Estate Tax Section, (502) 564-4810.

## PROPERTY TO BE INCLUDED ON THE RETURN

For a Kentucky resident, all real property located in Kentucky, all tangible personal property except tangible personal property that has acquired a situs for purposes of taxation outside Kentucky, and all intangible personal property except partnership property located in another state that is subject to an inheritance or estate tax in that state is subject to tax.

For a nonresident of Kentucky, all intangible personal property belonging to nonresidents that has acquired a business situs in Kentucky, all real property located in Kentucky in which the decedent owned or had an interest and all tangible personal property that has a situs in Kentucky and is not taxable elsewhere is subject to inheritance and estate tax. Intangible personal property subject to tax in Kentucky may include, for example, a partnership interest or a bank account used in conjunction with taxable real or personal property. Tangible personal property with a situs in Kentucky may include items such as, automobiles, farm machinery, livestock, equipment, boats, household items, etc.

## VALUATION OF PROPERTY—FAIR CASH AND AGRICULTURAL

All real and personal property is to be reported at the Fair Cash Value on decedent's date of death except where qualified real estate is being reported at its agricultural or horticultural value. (Refer to KRS 140.300 for conditions of the qualification.) Also, qualified real estate that is part of the assets of a partnership may be reported at its agricultural or horticultural value when valuing the partnership and any qualified real estate comprising a portion of assets of a corporation may be reported at its agricultural or horticultural value when valuing the corporate stock. (Refer to KRS 140.310 for conditions of the qualification.)

**NOTE:** Reporting real estate at its agricultural or horticultural value for dates of death on or after July 1, 1998, benefits only daughter(s)-in-law and son(s)-in-law.

A completed Real Estate Valuation Information Sheet, Form 92A904, must be filed for each tract of real estate. If corporate stock or a partnership interest is reported at its agricultural or horticultural value, a completed Real Estate Valuation Information Sheet and a list of all personal property must be submitted with an explanation of the valuation of the stock and a balance sheet for the partnership.

Any sale or transfer of the qualified real estate to someone other than another qualified person who is a joint owner will cause the tax to be due and payable on the fair cash value rather than the agricultural or horticultural value plus interest as defined in KRS 131.010(6) on the unpaid tax. A lien will be filed on each parcel of qualified real estate to secure any additional tax that may become due.

## DEDUCTIONS

For a Kentucky resident decedent, all debts due and payable as of decedent's date of death as well as funeral expenses (not to exceed \$5,000) and administrative expenses including attorneys' fees and commissions of executors and administrators, actually allowed and paid can be claimed.

For a nonresident decedent, administrative costs associated with the administration of the Kentucky taxable assets, mortgages or liens on the property subject to tax in Kentucky, and federal estate tax in the proportion that the net estate taxable in Kentucky bears to the total net estate subject to federal estate taxes are allowable deductions.

## FEDERAL ESTATE TAX

The federal estate tax is deductible in the proportion which the *net estate in Kentucky subject to the federal estate taxes bears to the total net estate everywhere subject to the federal estate taxes*. This is calculated by dividing the net estate over which Kentucky has jurisdiction, before the federal estate tax deduction, *by the federal taxable estate including federal taxable gifts*.

## QUALIFIED TERMINABLE INTEREST PROPERTY (QTIP) AND/OR POWERS OF APPOINTMENT (POA)

The Inheritance Tax Law requires that the value of a surviving spouse's interest in a POA trust or in a QTIP, which was exempt as a part of the surviving spouse's inheritable interest in the first spouse's estate according to the election made in the first spouse's estate, is includable in the surviving spouse's estate. The property is includable at its value on the surviving spouse's date of death. All property passing under a POA created by will, deed, trust agreement, contract, insurance policy, or other instrument must be reported whether or not the power is exercised.

## PROPERTY PREVIOUSLY TAXED

**Prior Decedent to Immediate Decedent Within Five Years**—Even though the property is taxable in the immediate decedent's estate, a tax credit is available to the beneficiaries of the present estate. The property will need to be identified on the Kentucky inheritance and estate tax return as being taxed in the prior estate or property that was exchanged for property that was taxed before. The property must be reported at the date of death value of the immediate decedent. If the estate prefers, the credit can be computed by the Inheritance and Estate Tax Section for the estate.

### Example of Credit for Previously Taxed Property

The immediate decedent, who died in September 1998, received from the prior decedent, his brother who died in 1994, property valued at the death of the immediate decedent at \$55,076.92. The inheritance tax, before discount, paid by the immediate decedent at the death of the prior decedent was \$3,014.00. At the death of the immediate decedent the total gross estate was valued at \$74,100.00 less total deductions of \$9,100.00 leaving a total present net estate of \$65,000.00.

To compute the tax credit for previously taxed property: (1) divide the immediate decedent's gross estate into two parts: the property previously taxed, \$55,076.92, and the property not previously taxed, \$19,023.08; (2) prorate the immediate decedent's debts (funeral expenses, costs of administration, other debts and federal estate taxes paid if any), \$9,100.00 to the property previously taxed and the property not previously taxed; (3) arrive at the net estate previously taxed, \$48,312.89, and the net estate not previously taxed, \$16,687.11; and (4) arrive at the total present net estate, \$65,000.00. Note—Mortgages and liens, if any, must be deducted from the value of the property to which they are attached prior to prorating the debts.

Based on the net estate passing to one nephew, the following is a step-by-step example of how to prorate debts and how to compute the tax credit. If more than one beneficiary inherits the previously taxed property, the tax credit must be computed on each beneficiary's share of the estate.

	Gross Estate		Deduct Mortgages and Liens		Gross Estate Less Mortgages and Liens		Deduct Prorated Funeral Expenses, Cost of Administration, Debts and Federal Estate Tax		Net Estate
Previously Taxed Property	\$55,076.92	–	\$ -0-	=	\$55,076.92	–	\$6,764.03	=	\$48,312.89 (A)
Immediate Decedent's Estate	19,023.08	–	-0-	=	19,023.08	–	2,335.97	=	16,687.11 (B)
Total Gross Estate	\$74,100.00	–	-0-	=	\$74,100.00	–	\$9,100.00	=	\$65,000.00 (C)

To arrive at the prorated portion of the debts applicable to the previously taxed property, multiply \$9,100.00 (debts of the estate) by \$55,076.92 (gross previously taxed property) divided by \$74,100.00 (gross estate). Note—Mortgages and liens, if any, must be deducted from the value of the property to which they are attached.

A — Previously taxed property (from Schedule I) .....	\$ 55,076.92
Less mortgages, liens and a proportionate part of funeral expenses, costs of administration and debts .....	\$ 6,764.03
	<u>\$ 48,312.89</u>
B — Immediate decedent's gross estate other than that inherited from the prior decedent .....	\$ 19,023.08
Less mortgages, liens and a proportionate part of funeral expenses, costs of administration and debts .....	\$ 2,335.97
	<u>\$ 16,687.11</u>
C — Total present net estate .....	\$65,000.00
D — Nephew's share of immediate decedent's estate .....	\$ 16,687.11
E — Nephew's share of previously taxed property .....	\$ 48,312.89
F — Nephew's total share of present net estate .....	\$65,000.00
G — Total tax due on nephew's share .....	\$ 4,760.00
H — Tax paid by present decedent in prior estate .....	\$ 3,014.00
I — $3,014 (H) \times \frac{48,312.89 (E)}{48,312.89 (A)} =$ .....	\$ 3,014.00
J — $4,760 (G) \times \frac{48,312.89 (E)}{65,000.00 (F)} =$ .....	\$ 3,537.99
Tax due on nephew's share (G) .....	\$ 4,760.00
Less tax credit (J) (lesser of I and J) .....	\$ 3,014.00
Net tax due on nephew's share .....	\$ 1,746.00

**Attach tax credit computations with return. Credit is shown for each beneficiary on page 4 of return.**

The tax credit is the **lesser** of the amounts in the two computations based upon the tax in the prior estate and the tax in the present estate. To arrive at the amount of the allowable tax credit: **First**, take tax paid before discount on decedent's interest in prior estate, \$3,014.00 (H), times the share of previously taxed property, \$48,312.89 (E), divided by the total previously taxed property, \$48,312.89 (A), equals first credit of \$3,014.00 (I). **Second**, take total tax due on nephew's share, \$4,760.00 (G), times the share of previously taxed property, \$48,312.89 (E), divided by the nephew's total share of present estate, \$65,000.00 (F), equals second credit of \$3,537.99 (J). As the first credit of \$3,014.00 (J) is the lesser of the two tax credits, this amount is deducted from the tax on the nephew's share of \$4,760 (G) leaving a net tax due of \$1,746.00.

## DISTRIBUTION

When a person dies, real and personal property may pass by title, under the terms of the will, or by the laws of intestate succession. Survivorship property and property payable on death passes to the surviving co-owner or owner shown on the deed or instrument, unless a disclaimer was filed, and not by the terms of the will or by the laws of intestate succession. When a person dies with a will, distribution of the estate is made according to the will, unless the will is renounced by the surviving spouse or a disclaimer is filed. If the will is renounced, the surviving spouse receives one-third of the real property and one-half of the remainder of the personal property. The law provides that when a person dies without a will, one-half of the estate, after funeral expenses, debts, and cost of administration are paid, goes to the surviving spouse and one-half descends as follows (if there is no surviving spouse, the whole estate descends):

1. to the children and their descendants (descendants take the share of their deceased parents); *if there are none,*
2. to the father and mother; if one is deceased, to the survivor; *if there is no father and mother,*
3. to the brothers and sisters and their descendants; (half-sisters and half-brothers and their descendants inherit only one-half as much as those of the whole blood); *if none,*
4. to the husband or wife of the intestate; *if none,*
5. one share shall pass to the paternal and the other to the maternal kindred in the following order:
  - (a) the grandfather and grandmother equally, if one is deceased, it shall go to the survivor; *if both are deceased,*
  - (b) to the uncles and aunts and their descendants; *if there are none,*
  - (c) to the great-grandfathers and great-grandmothers; *if none,*
  - (d) to the brothers and sisters of the grandfathers and grandmothers; and
6. if there is no kindred to one of the parents as described in (5), the whole descends to the kindred of the other. If there is neither paternal nor maternal kindred, the whole descends to the kindred of the spouse.

### I. EXEMPTIONS FOR BENEFICIARIES OF A RESIDENT DECEDENT

A. Effective for persons dying on or after July 1, 1998, the following beneficiaries are exempt from paying inheritance tax:

- (1) Surviving spouse, parent
- (2) Child (adult or infant)  
child by blood, stepchild, child adopted during infancy, or a child adopted during adulthood who was reared by decedent during infancy
- (3) Grandchild  
issue of child by blood, stepchild, child adopted during infancy, or of a child adopted during adulthood who was reared by decedent during infancy
- (4) Brother, sister (whole or half)

B. The following may owe inheritance tax if their distributive share exceeds the exemption amount:

Nieces, nephews, half-nieces, half-nephews, sons- and daughters-in-law, uncles, aunts, great-grandchild who is grandchild of child by blood, stepchild, or child adopted during infancy, have an exemption of \$1,000. All other beneficiaries receive a \$500 exemption.

C. Exempt organizations pursuant to KRS 140.060 do not owe inheritance tax.

Exempt organizations include educational, religious or other institutions, societies, or associations, whose sole purpose is to carry on charitable, educational, or religious work. Also, cities, towns or public institutions in this state qualify as exempt organizations provided that any transfer to such an organization is for public purposes.

## II. EXEMPTIONS FOR BENEFICIARIES OF A NONRESIDENT DECEDENT

The exemption for a beneficiary of a nonresident decedent's estate is prorated based on the exemption of a resident decedent and is in proportion to the net value of the property subject to tax in Kentucky before federal estate taxes to the total property transferred by the decedent.

### Example of Using Tax Table for Nonresident Decedents

An individual died a resident of Florida on July 10, 1998. The net value of the property subject to tax in Kentucky before federal estate taxes is \$75,000. The Kentucky net estate is 20 percent of the total net estate in and out of Kentucky. The property subject to tax in Kentucky was devised to the decedent's niece. The niece's exemption subject to proration is limited to \$1,000. The prorated exemption for the niece is \$200 (\$1,000 x 20%). The tax is calculated as follows:

\$10,000—\$200	=	\$9,800	x	4%	=	\$ 392
\$10,000			x	5%	=	\$ 500
\$10,000			x	6%	=	\$ 600
\$15,000			x	8%	=	\$1,200
\$15,000			x	10%	=	\$1,500
\$15,000			x	12%	=	\$1,800
<u>\$75,000</u>					Tax	<u>\$5,992</u>

### BEQUEST OF TAX

If the will directs that the estate pay the inheritance tax from the residue and the beneficiary does not share in the residue, the bequest of the tax is added to and made a part of the distributive share of the beneficiary receiving the specific bequest or devise. Contact the Inheritance and Estate Tax Section for assistance.

### PROPERTY SET ASIDE UNDER KRS 391.030(1)(c)

KRS 391.030(1)(c) provides that when a person dies intestate as to his personal estate, the spouse or, if none, the children may petition the court for up to \$7,500 to be set aside from distribution and from inheritance tax. ***A copy of the court order must accompany the tax return.*** If Class B and C beneficiaries receive a part of the residue, this exemption could reduce the tax.

### ESTATE TAX

Kentucky estate tax only applies if the decedent's gross estate is large enough that a Federal Estate and Gift Tax Return (Form 706) is filed and a credit is allowed for the state death tax credit. If the Kentucky inheritance tax due is not equal to or greater than Kentucky's part of the **federal state death tax credit**, the difference is due the Commonwealth as an estate tax.

A chart is provided in the instructions on the federal Form (706) for preparing the federal return which must be used to arrive at the credit. This amount must be paid to a state(s) before the credit can be taken on the federal estate tax return. This is not optional. You must pay Kentucky their portion. KRS 140.130 states that if the inheritance tax due is not equal to or greater than Kentucky's part of the federal state death tax credit, the difference is due as an estate tax.

Example:	Kentucky's part of the federal state death tax credit	\$39,500
	Kentucky's Inheritance Tax (\$21,300 less 5% \$1,065 Discount)	\$20,235
	Kentucky Estate Tax	\$19,265
	Total Death Tax Due Kentucky	\$39,500

If the decedent was a resident of Kentucky and real estate taxable on the Federal Estate and Gift Tax Return was located in another state(s), Kentucky is only entitled to a prorated part of the state death tax credit. Also, if the decedent was a resident of another state and Kentucky real estate was taxable on the Federal Estate and Gift Tax Return, Kentucky is entitled to a prorated share of the state death tax credit. This is found by dividing Kentucky's portion of the federal taxable estate by the total federal taxable estate obtained from the Federal Estate and Gift Tax Return multiplied by the state death tax credit.

**Example:** Kentucky resident owning real estate in Ohio

A Net Ohio property included in the federal taxable estate	\$100,000.00
B Net Kentucky property included in the federal taxable estate	\$400,000.00
C Taxable estate from the Federal Estate and Gift Tax Return (before adjusted taxable gifts)	\$500,000.00
D State Death Tax Credit from the Federal Estate and Gift Tax Return	\$ 5,000.00
E Kentucky's Share of the state death tax credit is 80 percent or	\$ 4,000.00

\$400,000.00 (B)

\$500,000.00 (C) = 80% x \$5,000.00 (D) = \$4,000.00 (E)

## VALUE OF A LIFE ESTATE

To find the value of a life estate, multiply the value of the beneficial interest by 4 percent or other rate of interest as stated in the will, trust, etc., and this product by the factor from the table below corresponding to the age of the life tenant. The result is the value of the life estate. Subtract the value of the life estate, as determined above, from the beneficial interest. The amount left will be the value of the remainder interest. *If the will provides for joint or successive life estates, contact the Inheritance and Estate Tax Section for the factors. If the life tenant dies prior to the filing of the return or the tax being fixed and determined, refer to KRS 140.100(3) for valuing the life estate.*

**Example:** A, age 40, received \$10,000 for life, with remainder over to B. \$10,000 multiplied by 4 percent equals \$400, which is the annual income or annuity. \$400 multiplied by 19.0941, the 4 percent factor for age 40, equals \$7,637.64 which is the value of the life estate of A. The remainder interest of B is the difference of the principal sum and the life estate, which in this case is \$10,000 less \$7,637.64 or \$2,362.36.

## YOUR RIGHTS AS A KENTUCKY TAXPAYER

The mission of the Kentucky Revenue Cabinet (KRC) is to provide courteous, accurate and efficient services for the benefit of Kentucky and its citizens, and administer the tax laws of the Commonwealth in a fair and impartial manner.

As a Kentucky taxpayer, you have the right to expect the KRC to honor its mission and uphold your rights every time you contact or are contacted by the KRC.

### RIGHTS OF TAXPAYER

**Privacy**—You have the right to privacy of information provided to the KRC.

**Assistance**—You have the right to advice and assistance from the KRC in complying with state tax laws.

**Explanation**—You have the right to a clear and concise explanation of:

- basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- procedure for protest and appeal of a determination of the KRC; and
- tax laws and changes in tax laws so that you can comply with the law.

**Protest and Appeal**—You have the right to protest and appeal a determination of the KRC if you disagree with an assessment of tax or penalty, reduction or a denial of a refund, a revocation of a license or permit, or other determination made by the KRC.

**Conference**—You have the right to a conference to discuss a tax matter.

**Representation**—You have the right to representation by your authorized agent (attorney, accountant or other person) in any hearing or conference with the KRC. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you may be required to give your representative a power of attorney before the KRC can discuss tax matters with your authorized agent.

**Recordings**—You have the right to make an audio recording of any meeting, conference or hearing with the KRC, or to be notified in advance if the KRC plans to record the proceedings and to receive a copy of any recording.

**Consideration**—You have the right to consideration of:

- waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the cabinet pursuant to law or administrative regulation");
- installment payments of delinquent taxes, interest and penalties;
- waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the KRC if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- extension of time for filing reports or returns; and
- payment of charges incurred resulting from an erroneous filing of a lien or levy by the KRC.

**Guarantee**—You have the right to a guarantee that KRC employees are not paid, evaluated or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

**Damages**—You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Claims if a KRC employee willfully, recklessly and intentionally disregards your rights as a Kentucky taxpayer.

**Interest**—You have the right to receive interest on an overpayment of tax, except delinquent property tax, payable at the same rate you would pay if you underpaid your tax.
